

## Stage 1

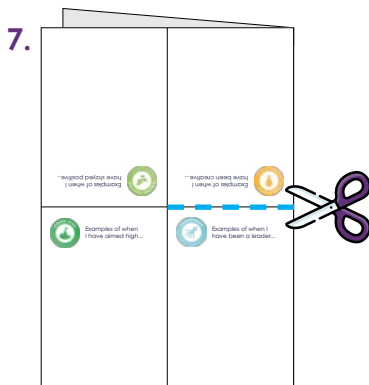

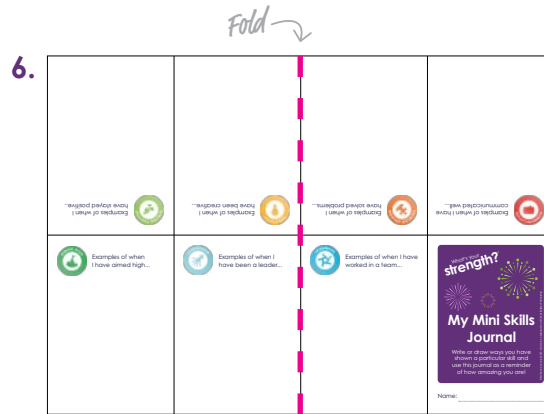

### TOP TIP!

When printing, see if the printer has an option to 'fit to page' or 'print in centre'. If so, select those options.

### Key

- = Paper
- = Fold
- = Cut

## Stage 2

### Children's University

If you're a member of Children's University you can get a stamp for completing this activity.

**Your code is green8277.**

If you're not already a member, Children's University is now open to all children and young people, whether you're home-educated or if you attend a school that's not part of their network.

You can find out more and sign up at [www.childrensuniversity.co.uk/subscribe](http://www.childrensuniversity.co.uk/subscribe)

## Stage 3

Push the ends together and then fold the pages round to make your journal pages.

Examples of when I have stayed positive..

Examples of when I have been creative...

Examples of when I have solved problems...

Examples of when I have communicated well...

Examples of when I have aimed high...

Examples of when I have been a leader...

Examples of when I have worked in a team...
